### Official Nomination

Prospective incoming students to Osaka University must go through a selection process at the study-abroad/student mobility office and receive nomination from home university. We do not accept students' self-nomination and independent application for OU VSA program.

### Eligibility and Conditions

Students must be an undergraduate or graduate student enrolled at an overseas partner university while participating in the program.

\*Some lectures are not available to undergraduate students.

\*Some Courses have restrictions or academic prerequisites to register.

\*Please see the syllabus from 2023 as a reference only to help you select a course.

### Language Proficiency

Students must meet the Japanese or English proficiency requirements of the course which you wish to take. Since most courses are taught in English, participants need to have a certain level of general English language proficiency. Please check the requirements on the course list before you select a course.

Osaka University receives exchange applications for OU Virtual Study Abroad Program twice a year, for April intake and October intake.

Please use Osaka University's online application system, called T-cens. \_\_\_\_\_  
\_\_\_\_\_ and there is no need for your university to send the original documents by post. Students will need to have access to the following system and hardware.

The online application system is designed to operate with desktop/laptop computers and not guaranteed to work on tablet computers, smartphone, or any other mobile devices.

As we are unable to check undelivered emails on the system, it is extremely important for students to register an active and reliable email account. Both university and personal emails, web-based and client-based emails can be used.

The applicant's personal data such as name and address obtained through our application website will be used only for the purpose of admission. The submitted personal information and documents will be kept strictly confidential.

After your nomination is completed by the exchange coordinator at your home university,

- 1) You will receive an initial authentication link from your coordinator.
- 2) Please access to the site and fill out the required information.
- 3)
